CUBE merchandisers are a unique blend of clean lines and effective and efficient product display. Gourmet food never looked so good. The CUBE Display case becomes an integral component in your merchandising front line-up. You can see that we use the highest quality materials and components. Our refrigeration system is second to none.

The CUBE merchandiser can be customized to match most specific merchandising or decor requirements. Choose from standard finishes and interior details. Stainless steel, epoxy coated components, premium laminate finishes and metallic trim colours, reflective glass and more.
